## Years 3/4 Vision Valley Camp 30<sup>th</sup> & 31<sup>st</sup> October, 2017

Dear Parents,

In preparation for our Vision Valley camp early next term, we require parents to complete the medical form attached. If your child takes medication daily or regularly, please make note of it on this form. If your child needs to take other medication e.g. antibiotics, while on the excursion, you will have another form to complete just prior to the excursion.

It is also very important that any special dietary requirements or food allergies are listed. Please write N/A or 'not known' if not applicable. The medical form needs to be returned by **Friday 22<sup>nd</sup> September**, to your child's teacher.

The accompanying list of items is a suggestion on what to pack for the excursion.

If you have any queries, please see your class teacher or Mrs Bennett.

Karen Bennett  
Assistant Principal  
Stage 2
