Dear Parents and Caregivers,

Next term we have Sport in Schools Australia providing the sport component of our school program for Kindergarten to Year 2.

Sport in Schools Australia provides all the equipment each week which is beyond the resources of the school to provide and they come with an excellent reputation.

They are an organisation that only employs qualified teachers and all their activities are curriculum based and planned for the age and stage of the children. The program commences on Monday 20th July for years K-2, and continues all term. Children are reminded to wear their sports uniform on Mondays in Term 3.

The cost for the term will be \$50.00 per student. If payment is not received by the conclusion of the second lesson students will not be able to participate in the subsequent sessions. If you are experiencing financial difficulty, please contact the school office to discuss payment options.

Please indicate in the permission slip below whether your child will participate in these sessions.
